

Plough Walks

INVITES YOU TO

WALK IN A WHITEGATE WINTER WONDERLAND.

Fed up already of the lead up to Christmas and want to get away from the frantic hustle and bustle of the silly season!

Well what better way to do this, than to wrap up warm and join family and friends to explore the amazing countryside, set in its crisp winter background and no more than a stone's throw away from where we live?

The Plough has become popular start & finishing point for many walkers, who come from far and wide to sample some of Cheshire's most varied & wonderful countryside.

Our walks incorporate some of mid Cheshire's most picturesque & historic sites. These include the Weaver Navigation & Vale Royal Locks, Vale Royal Abbey, Marton Quarry Pool, and the forgotten grounds of the former Delamere estate.

We have put together 8 walks which range from 2.5 to 9 miles, so if you want a gentle stroll or something a bit more energetic, we are sure to have a walk that is catered just for you!

To make your walking experience complete, why not finish your walk with a drink or a bite to eat, in the friendly & comfortable surroundings of our restaurant or tap room. We have a fine selection of cask ales on offer, as well as a varied menu of traditional home cooked food, in particular our famous steak pie comes highly recommended!

We will also be serving our popular seasonal Hot Toddies as well as our varied selection of alcoholic & non alcoholic tipples!

Do you like to take man's best friend with you on your walk? Not a problem, our tap room welcomes well behaved dogs and we will sure to have a bowl of water & treat awaiting your return!

So why not pick up a walk today & discover some of the area's natural beauty. All **eight** walks are now available in the tap room or to download from the Plough's website.
